Therefore, in consideration of the mutual promises and covenants contained in this Agreement, the parties hereby agree as follows:

1. Definition of Confidential Information:

For purposes of this Agreement, 'Confidential Information' means not to disclose that the marina is for sale, and any data or information that is proprietary to the Seller and not generally known to the public, whether in tangible or intangible form, whenever and however disclosed, that should reasonably be recognized as Seller's confidential information including, but not limited to marketing strategies and plans, financial information, financial projections and sales estimates, business plans and performance results relating to the Seller's past, present or future business activities, customer and supplier lists, plans for products or services, any technical information, design, process, procedure, formula, improvement, technology or method, reports, data, know-how, works-in-progress, designs, specifications, computer software, databases, information and trade secrets. Buyer acknowledges that the confidential information is proprietary to the Seller, has been developed and obtained through great efforts by Seller, and that Seller regards all of its confidential information as trade secrets.

Buyer shall limit disclosure of Seller's confidential information only to those who have a need to know such information in connection with the potential sale of this business including financiers and legal and accounting advisors. Title to the confidential information will remain solely in the Seller and/or Broker until any final closing on a sale to Buyer.

2. Remedies:

Both parties acknowledge that the Confidential Information to be disclosed hereunder is of a unique and valuable character, and that the unauthorized dissemination of the Confidential Information would destroy or diminish the value of such information and could create business losses to the Seller. Both parties agree that Seller would be entitled to injunctive relief preventing the dissemination of any Confidential Information in violation of the terms hereof, in addition to any other legal remedies available. Seller shall be entitled to recover its costs and fees, including reasonable attorney's fees, incurred in obtaining any such relief.
